Clarence High School, was established with a vision to foster the complete and wholesome intellectual, spiritual, moral, physical and social development of every child, based on Christian values. We are a Christian minority K-12 school founded in 1914, by the British Missionaries, Alfred and Walter Redwood. Starting with 17 children in Infants and Class 1, these and many visionary teachers and managers worked hard to bring the school to her current standing. Alumni all over the world remember with much appreciation, the influence of such godly men and women in their lives.

We are restarting LKG from the year 2021-2022.

Application Forms will be available online from February 22, 2021 onwards. Visit clarencehighschool.in/admissions/
