You can select the mode of payment and proceed. Once the Payment is done you will receive a receipt for the same.

- Once the payment is successful, you will get a payment confirmation slip and the payer has to keep the same for reference.
- In case the payment is not successful due to any reason you will get a display on the status of failure in payment.
- In case none of the above two happens, and there is heavy delay in any response from the system - if you have not proceeded with payment and not given card detail particulars, you may proceed from the beginning again and start the payment process again.
- In case you have given all the credit card / debit card details or net banking authorization for payment, and have not got any response, please check with your bankers or credit card company and see if your account is debited. If your bank account/cc is debited, please don't make any attempt to pay again.
  - **Kindly click on the link again and CLICK ON GET RECEIPT and enter the CREDENTIALS.**
- However, if your amount is not debited in the bank, you have to make the payment and get payment successful confirmation.
